

Dear Hiring Manager,

Let me introduce myself. My name is Wina Pratika Zalmi, a 5th semester student majoring in Informatics Engineering at the Batam State Polytechnic

Based on the information I got from [kerja.com](http://kerja.com), I am interested in applying for web development at Panasonic for 2 weeks.

During my studies, I have learned many programming languages such as HTML, CSS, Javascript, PHP, SQL. Apart from that, I also work on several campus projects, such as company profile websites, tracer study websites.

Here I attach my CV and portfolio about art design. I hope to have the opportunity to be able to discuss further with you regarding the Creative Team Internship Program at Sehati Care. Thank You.

Regards,

Wina Pratika Zalmi
